## Exciting News: House of Hope Welcomes SNAC Into Our Mission of Care

We're honored to share that House of Hope is officially joining hands with SNAC (Shelter, Nutrition, for All Children) to expand and strengthen our support for families experiencing housing instability in the Pee Dee.

Founded in 2014 by Courtney McGinnis-Graham, SNAC was born out of a deep love for vulnerable children and a fierce commitment to keeping families together through food, shelter, and emergency support. Though Courtney passed in 2015, her legacy has lived on through the dedicated volunteers who have faithfully continued this work.

As this new school year begins, House of Hope will carry that legacy forward.

This partnership just makes sense. The Courtney McGinnis-Graham Community Shelter, named in her honor, already stands as a beacon of hope for those without a safe place to stay. Now, with SNAC under the House of Hope umbrella, we will continue providing emergency shelter and care for families, particularly those in the Florence 1 School District, through a new, coordinated process.

Thank you for walking with us on this journey. Together, we are building a future where no child has to wonder where they will sleep tonight, and every family has the chance to dream again.

# HOPE VILLAGE PLAYROOM REVAMP

At House of Hope, we are continually inspired by the ways our community comes together to create lasting change. We extend our deepest thanks to Central United Methodist Church and Highland Park United Methodist Church for their incredible support and partnership.

As part of their joint Kids Mission Camp, these two congregations brought a joyful team of young hearts and helping hands to HOPE Village to help renovate the children's playroom. These students cleaned, organized, and transformed the space into a more welcoming and vibrant play space for the children we serve.

To the kids, leaders, and families of Central UMC and Highland Park UMC: thank you for choosing to spend your time making a difference at House of Hope.

What a blessing to witness tiny hands doing big work in the name of Jesus.

At House of Hope, our cooling station offers more than just relief from the heat. It's a cold drink, a snack, and a reminder that someone cares. But we need volunteers to keep this going through the rest of the summer.
